Our Canada & New England

Delve deep into the land of opportunity that is Canada and New England. Head downtown for an all-embracing New York encounter, discover affluent states full of local custom and history and escape to the jaw-dropping beauty of snow-covered peaks, dramatic coasts, evergreen forests and sustainable landscapes.

Explore an eclectic food scene and appreciate regional wine in between visiting medieval artefacts, elegant architecture, museums and UNESCO protected sites - all amid a wealth of invigorating adventure.

Life in Canada & New England

Have a nice day as you discover states filled with welcoming hospitality. Explore an ever-changing pace of life, hypnotising landscapes, pretty waterfronts and French-style urban charm. Roam remote flawless nature, observe endangered wildlife and experience peace within the many National Parks. Invigorate in frenetic cities or a fusion of history, the arts, dynamic shopping and tempting cuisine. Vast and varied, there's something for everyone in each state.

From **New York**, the city of steeples, to **Québec City**, “la vieille capitale”, North America is blessed with more than 400 years of European influence.

New York City, originally founded by the Dutch as New Amsterdam and gifted the Statue of Liberty from France, now gives to the world the 9/11 Memorial & Museum that honors hope, resilience, and unity for all future generations. Applaud a Broadway Show; catch the view from the Top of the Rock; stroll the High Line; an overnight affords time to embrace it all.

Fall foliage calls us to beautiful **Boston**, dubbed the Athens of America, that’s built upon almost 400 years of academia and culture. The city’s wharves whisper of tea parties, its libraries of tell revolutionary greats, and its JFK Presidential Library & Museum to recount America’s “Camelot”.

In **Halifax**, the capital of **Nova Scotia**, we find roots of Celtic, Acadian, and African cultures along with the largest number of lighthouses of any Canadian province. Head to pretty Peggy’s Cove to see the most photographed lighthouse in the country then crack open a ruby lobster in the surrounding fishing village. For two days, we follow the “whale route” of the St. Lawrence River where 13 species of marine mammals feast of the plentiful krill.

Enticing, enchanting, **Québec City** calls with her 400-year-old Vieux-Québec (Old Town), an impeccable UNESCO site, that still ripples with life along meandering cobbled streets and the green-cooper turreted Chateau Frontenac.

Extend you Québécois immersion in the City of Saints, **Montréal**, where the celebrated Golden Square Mile awaits with impeccable Victorian-era buildings bursting with French boutiques, Parisian-style bistros, magnificent McGill University, and the stately Montréal Museum of Fine Arts.

Our **Ocean Terrace Suite** are amongst the largest entry-level suites in the industry, **35 sqm (377 sq ft)**, Suite **28 sqm (301 sq ft)** and Terrace of **7 sqm (75 sq ft)**. Each one has floor-to-ceiling windows and a private sun terrace, allowing guests to feel closer to the ocean as it carries them on their journey.
